

A LA CARTE ORDERING BOOKLET

Thank you for choosing me as your photographer and allowing me to order your images through a high quality and affordable photo lab. Please look through this booklet carefully and don't hesitate to contact me with any questions you might have, including what a product might look like or what shade the colors are. Once I've emailed you a link to your photo gallery, the images will be watermarked with a letter for easy identification on the form. After three months, your gallery will expire online, but the images will always be saved and backed up in case you wish to order more or view them again. Please do not submit this form without first seeing your online photo gallery. You will need the letter identification of each image to describe your order.

Thank you again for choosing MV Photography to capture the history and memories of your loved ones.

Sincerely,
Micaelina Velardi
